QUESTIONS	ANSWERS
<p><b>Question No 1</b></p> <p>Would it be possible for the CA to share any drawings / layout of the design of the river port? Or even better the tender documents for the Works Contract. This would enable us get a better picture of the construction works at hand (type of quay wall, type of bridge structure etc.)</p>	<p><b>Answer No 1</b></p> <p>As it was stipulated in the item 4.3.3. of the ToR: "The entire Tender dossier for Works Contract is available free of charge to interested bidders and can be requested from the Ministry of Construction, Transport and Infrastructure, according to the point 7. of the Instructions to Tenderers.", the potential tenderer can send request for the tender documents for the Works Contract at the e-mail address indicated in the ITT.</p> <p>It will be made available to the potential tenderer not before the June 29<sup>th</sup>, 2020, in line with the timetable for the Works Contract Tender Procedure.</p> <p>In addition, the Contracting Authority will publish the Corrigendum No. 1 to the Tender Dossier where the situation plan and brief description of works will be provided.</p>

<p><b>Question No 2</b></p> <p>Would it be possible for the CA to provide more detailed information on what facilities will be provided by the Works Contractor? The ToR states that a Site office will be provided by the Contractor. Will the Contractor also provide furnishing (desks, chairs etc.) for the supervision site offices? Will these offices be large enough to accommodate the full site team, is there a meeting room included in the site offices? We would suspect that these facilities will be described in the Works Contract tender / specifications</p>	<p><b>Answer No 2</b></p> <p>The Works Contractor shall establish Engineer's site office and services, as well as to cover running costs of the Engineer's site office for 48 months Contract Period.</p> <p>The Contracting Authority will publish the Corrigendum No. 1 to the Tender Dossier, regarding the site office and related facilities to be provided by the Works Contractor.</p>
<p><b>Question No 3</b></p> <p>Similar to Question 2, Will the Works Contractor provide vehicles for the use of the supervision team? Or will we need to include and price our own daily site transportation for the supervision team</p>	<p><b>Answer No 3</b></p> <p>As it is stipulated in the ToR item 6.3 Facilities to be provided by the contractor "The S&amp;EM Services Contractor shall meet costs for the supervision team (which will include all travel, remuneration, insurance, emergency medical aid, accommodation, facilities, communications and other costs necessary for the competent and efficient operation) which are not covered by the Works Contractor", the Engineer shall price all travel costs, including travel between the accommodation and the site and vice versa.</p>
<p><b>Question No 4</b></p> <p>Can the CA please explain the rationale of having two offices (one in Belgrade / one on site at Smederevo)?</p>	<p><b>Answer No 4</b></p> <p>Construction site is in Smederevo, the Contracting Authority and other institutional bodies relevant for this assignment are situated in Belgrade.</p>
