Ministry or any other national or federal authority, including their regional or local subdivisions

I.5) Main activity

Other activity: Airport-related activities, Port-related activities

Section II: Object

II.1) Scope of the procurement

II.1.1) Title:

Supervision and Technical Assistance services for the extension of the AIS AtoNs monitoring and reaction system to the Sava River in the Republic of Serbia

Reference number: EIB-GtP/404-02-00128/2022-06

II.1.2) Main CPV code

51612000 Installation services of information-processing equipment

II.1.3) Type of contract

Services

II.1.4) Short description:

The entire project for extension of the existing AIS AtoNs system in Serbia will be implemented through three contracts:

- One service contract for the supervision of system installation and integration
- One contract for supply and installation of equipment
- One service contract for system integration

The task of the Supervision Contractor will be to oversee and aid the Contracting Authority with the implementation of the two contracts required for the extension and upgrade of the Monitoring and Reaction System to the Sava River. The contracts are: supplies and installation (8 months) and system integration (12 months). The three contracts will overlap and all the contracts are intended to start at the same time.

Funding
